

ACAAFORUM Moderator Responsibilities Policy and Guidelines

9 July 2018

Moderator

The acaaforum (Forum) Moderator(s) is appointed by the Management Committee and shall oversee all Forum activities.

The Moderator(s) is invested with the authority to block or modify any contributions, and to warn, suspend or remove a member from Forum participation, so long as any such action results from a breach of acaaforum User Policy and Guidelines.

The Moderator(s) shall:

- ensure observance of the Forum's User Policy and Guidelines.
- check with the originator if a contribution appears to have been made in error.
- where necessary, and following consultation with the originator, either modify a or decline to publish a contribution.
- always seek the consent of the contributor before declining to post a contribution.
- always seek the consent of the contributor before modifying a contribution prior to posting.
- ensure that any apparent technical malfunctions are attended to expeditiously.
